Swarovski, the world famous jewelry and accessory brand, which partnered with Bella Hadid as brand ambassador earlier this year, has unveiled their 2022 holiday campaign, featuring the model baring all in a beautiful diamond-studded corset. The model also shared her photos from the collection on her instagram on October 17th, reaching 1.2 million likes.

The 26-year old model, who has dominated fashion news this year, was photographed wearing Swarovski's most highlighted pieces for this upcoming holiday season.

Hadid modeled the "Stella" collection, featuring contemporary designs with crystal pearls and rose-gold styles. She was also shown modeling the "Constella" line, featuring home decor pieces, such as ornaments, tree toppers and advent calendars.

Swarovski, which has been a household name for decades, is known around the world for their timeless crystal jewelry and figurines. Audrey Hepburn donned a Swarovski crystal tiara in her iconic role in *Breakfast at Tiffany's*, and Marilyn Monroe also wore a Swarovski crystal necklace in her film *Gentlemen Prefer Blondes*.

Whether you are shopping for a loved one this holiday season, or yourself, Swarovski's 2022 holiday collection is guaranteed to have you shining for holidays to come. You can find Bella's jewelry, and other beautiful seasonal decor at [www.swarovski.com](http://www.swarovski.com)
