# The 8 \*BEST\* Denim looks you NEED for Spring 2023

Guess who's back? Denim!

by BROOK MALISZEWSKI NOV 16, 2022

**B**ritney Spears and Justin Timberlake's famous

matching denim outfits worn at the 2001 American Music Awards may automatically come to your mind when you think of a denim-on-denim outfit. Twenty years later, denim has made a comeback, being spotted on recent runways in the forms of dresses, rompers, matching sets, accessories - you name it.

Putting together an all-denim look and being able to pull it off may seem scary and out of your style comfort zone- but we put together **8** of the best denim trends and pieces on the market right now; and you *don't* need to be an early 2000s pop star it couple to be able to pull these looks off.
